Name of the event:	One day Industry Visit
Date of the event:	08/10/2024
Participants	Third Year ECE Students and 3 Faculties from ECE Department
Speaker of the event:	----
Summary of the event:	Dept. of Electronics and Computer Engineering Organized a one day Industry Visit at Endress+Hauser, M 171 to 176 MIDC Wauj, Taluka – Gangapur, District Chhatrapati Sambhajnagar 431136 on 08/10/2024. Total 50 students from third year and 3 faculties from Electronics and Computer Engineering visited Endress+Hauser Flow (India) Pvt. Ltd. Endress+Hauser Flow (India) Pvt. Ltd. has the state of art manufacturing, calibration, inspection & testing facility to produce world-class flow meters. This Production Centre is to bridge & cater Asian, African & European markets for the flow meter business & components to Endress+Hauser is a global leader in measurement instrumentation, services and solutions for industrial process engineering. Flow of Industry visit was: 1. Welcome by Industry HR Team 2. Visit to various departments of Industry. 3. Presentation by Plant Head 4. Question and Answer Session. 5. Vote of Thanks.
Outcome(s):	Visit Objectives: 1. To bridge the gap between theoretical training and practical learning in a real life environment. 2. To enable the students to be aware of industry practices and work ethics. 3. To enable the students in creating their area of interest into a particular domain. 4. To provide Industry exposure with respect to Industry operations, culture. Visit Outcome: 1. To gain knowledge of current tools/software's/machines used in Industry. 2. To validate the theoretical concepts learned. 3. To develop understanding of how the product is developed and interface to the
