Engineer's Day Celebration

Date: 16/09/2024   **Time: 2 pm to 3 pm**

Venue: Mechanical Engineering Department (Classroom No. 103)

Overview: Students of second year, third year and final year participated in the event. The event held at Mechanical department. The Head of Mechanical Department Dr. R. H. Shinde Sir, The PG Coordinator, Dr. S. R. Jambhale Sir and Faculty Advisor, Dr. D. H. Patil delivered their speech on Engineer's Day. All the Faculty members of department were present in the event.

QUIZ COMPETITION ORGANIZED UNDER ISTE STUDENT CHAPTER

Date: 21/09/2024   **Time: 01:00 pm**

Venue: Civil Engineering Department, CSMSS Chh. Shahu College of Engineering.

Overview:

- The competition was of three rounds. The first round was on technical, the second was on aptitude and the third was on general awareness.
- This event was department level. No registration fees were charged for ISTE student members and Rs. 20/- fees were charged to non-ISTE members. Approximately, 37 students from the second-year and third-year Civil Engineering Department participated in the event.
- Three students were selected as winners after three rounds of the competition are as follow:
    1. Avinash Wahule (first Winner)
    2. Yash Patil (Second Winner)
    3. Abhishek Surve (third winner)
- The three winners of the competition will participate in the Institute Level Quiz Competition to be held shortly.

Glimpses of the Event

Celebration of Teachers Day

Date: 21/09/2024   **Time: 01:00 pm**

Venue: Civil Engineering Department, CSMSS Chh. Shahu College of Engineering.

Overview:

On the occasion of 5th September CESA celebrates Teachers Day in the remembrance of Dr. Radha Krishanan. All Faculties and students gathered in the Drawing Hall B- 306. Event start with Dr. Radha Krishanan and Goddess Ma Saraswati Pujan and Lamp lighting. Later on Head of the Department Dr. Sohail Ali motivated students with their valuable words. Also students expressed their gratitude through their speeches and poems. Students organized some fun events for the faculties. After this students of SY, TY and B.Tech delivered lectures on various topics. They served as a faculty on this day.

REPORT OF

Date: 07/01/2025   **Time: 10:15-1:30**

Venue: Department of Electronics and Computer Engineering

Overview: The aim of event is primarily to evaluate and enhance participants Knowledge about IKS

Presentation abilities highlighting the contributions of engineers to the society and innovation.

Glimpses of the Event

Date: 27/03/2025   **Time: 01:00-05:15**

Venue: Department of Electrical Engineering

Overview: The Dept. of E&C (Advanced Communication Technology) under ISTE student chapter had organized a Seminar on Unlocking Career Potential through Training & Internship Programs for Second year students of E&C(Advanced Communication Technology). Dr. Syed Sumera Ali, HoD-E&C (A.C.T) presented the preamble of the program and motivated the students to get involved in Internship and training which helps to enhanced technical and management skill. The session was delivered by Mr. Nitin Bhoyate who gave brief discussion about internship and training. He described opportunities in industry through training and internship. The endnote and vote of thanks was presented by Prof. S. H. Jadhav.

Glimpses of the Event

Expert Talk on Applications of Building Information Modelling in Civil

Date: 16-04-2025   **Time: 01:00-05:15**

Venue: Department of Civil Engineering

Overview: The Civil Engineering Students Association of Civil Engineering Department organized this expert talk. Resource person was Mr. Shadab Ali, Founder and Director of AMSAZA Design Company and SEEDEC Institute, Chh. Sambhajinagar. Sir explained BIM Concepts and Real-World Applications of BIM in Civil Engineering. 113 students and 13 faculty members from Civil Engineering department were attended this talk. The student's confidence boosted to explore interdisciplinary areas involving design, IT, and construction technology. The coordinator of this expert talk was Prof. P. G. Sonar.

"INTELHUNT 2K25" QUIZ & TREASUREHUNT, POSTER COMPETITION

Date: 15/05/2025   **Time: 10:00 AM to 5.15 PM**

Venue: Department of Electronics and Computer Engineering, CSMSS, Chh. Shahu College of
Engineering, Chhatrapati Sambhajinagar.

Overview: Encourage participants to expand their general or subject-specific knowledge in an engaging way. In team quizzes, strengthen collaboration and communication among members and Promote teamwork and coordination as participants solve clues and work together to find items or locations. Goal of Poster competition Encourage participants to visually express ideas, messages, or themes in creative and original ways.

Glimpses of the Event

Date: 24/05/2025   **Time: 01:00-05:15**

Venue: Department of Electrical Engineering

Overview: The "Technical Poster Presentation" was organized by the Electrical Engineering Department, CSMSS Chh. Shahu College of Engineering, Chhatrapati Sambhajinagar, in association with the ISTE Student Chapter on 24th March 2025.

The event began with an inaugural address by faculty members highlighting the importance of innovation and technical creativity. First-year students prepared posters on topics such as renewable energy, energy conservation, automation, and sustainability.

Participants presented their posters to a panel of judges, explaining the concept, technical aspects, and practical applications of their ideas. The evaluation was based on content, innovation, and presentation skills.

The event concluded with feedback from judges and recognition of the best posters. It proved to be an engaging and educational activity that encouraged teamwork, creativity, and technical awareness among students.

Glimpses of the Event

"A One Day Workshop on Introduction to Data Science using Python"

Date: 29/05/2025   **Time: 10:15-1:15**

Venue: Department of Computer Science and Engineering

Goal: The aim of event is primarily to introduce the students to the concepts of data science and how they can be implemented using Python.

Glimpses of the Event

Date: 30/05/2025   **Time: 10:15-12:15**

Venue: Mechanical Department

Overview: The Department of Mechanical Engineering successfully organized the Institute-Level Event "Mech Spark 2025" on 30th May 2025 in association with the Mechanical Engineering Students' Association (MESA) and Indian Society for Technical Education (ISTE). The objective of the event was to enhance students' technical and extracurricular skills through a blend of technical and creative competitions.

Glimpses of the Event

ONE-DAY VLSI VORTEX 1.0 EVENT

Date: 12/06/2025   **Time: 10:15AM to 5:15PM**

Venue: CSMSS Chh. Shahu College of Engineering, EE (VLSI D & T) Department.

Overview: The program began with the **arrival of esteemed guests** including Principal Dr. G. B. Dongre, Vice-Principal Dr. D. L. Bhuyar, HoD Dr. S. J. Honade, and all department heads.
Saraswati Poojan and Lamp Lighting marked the auspicious start of the event.
A **felicitation ceremony** was conducted to honor dignitaries.
Introduction of the event was delivered by the **SAVE Club President**, followed by an overview by Dr. S. J. Honade.
Principal Dr. G. B. Dongre addressed the gathering, appreciating the initiative and encouraging students to participate in such events.

Glimpses of the Event

PROJECT EXPO: IGNITE 2025 -PROJECT COMPETITION CUM EXHIBITION

Date:14/06/2025   **Time: 10:00AM to 05:00 PM**

Venue: Engineering B-Building – Ground and First Floor

Overview: This event is organized by: Department of Electronics Engineering (VLSI D & T) in association with Indian Society for Technical Education (ISTE)& Center for Engineering Exploration The goal of this Project Expo: IGNITE 2025 is to provide Engineering students a platform to present innovative, interdisciplinary projects that address real-world problems. The expo encourages practical learning, team collaboration, and industry exposure from the very first year of engineering.
